Developing the talents of orthopaedic and trauma nurses

Submit your abstract today
Plenary, poster, concurrent presentations and workshops invited. Themes:
- harnessing the core skills of orthopaedic and trauma practice
- developing the skills of orthopaedic practitioners
- working with patients to aid recovery
- using our talents on the wider stage.

Abstracts should be submitted online at www.rcn.org.uk/ortho2013, by Monday 22 April

12 and 13 September 2013
Glasgow Marriott Hotel, 500 Argyle Street, Anderston, Glasgow, Scotland, G3 8RR

This conference will deliver latest developments in school nursing and up-to-date information about the Department of Health (England) School Nursing Development Programme and the role of the school nurse. A unique opportunity to increase public awareness of school nursing.

Thursday 29 August 2013
The Cavendish Conference Centre, 22 Duchess Mews, London W1G 9DT
