	Yes	2	0
9. Did the person bringing you to hospital to have your denosumab injection have to take time off work?	No	4	3
	Yes	2	3
	I attended the appointment alone	1	0
10. Did you have to arrange for childcare so that you could go to the hospital to have your denosumab injection?	No	6	6
	Unsure	1	0
11. How many miles did you need to travel to the hospital to have your denosumab injection?	Less than 3 miles	3	0
	3-6 miles	2	3
	6-9 miles	2	0
	More than 9 miles		3
12. How many hours was your total hospital experience, from leaving home until returning home, when you had your denosumab injection?	Less than an hour	1	0
	Between 1 and 2 hours	1	2
	Between 2 and 3 hours	2	3
	Between 3 and 4 hours	1	1
	More than 4 hours	1	0
	Unsure	1	0
13. When you travelled to the hospital to have your denosumab injection, how much did you spend on petrol?	Less than £2.00	2	2
	Between £2.00 and £5.00	2	0
	I did not spend money on petrol	2	0
	Not known		5
14. When you travelled to the hospital to have your denosumab injection, how much did you spend on parking?	Less than £3.00	2	0
	Between £3.00 and £5.00	1	5
	Between £5.00 and £10.00	1	0
	I did not spend money on parking	3	1
15. When you travelled to the hospital to have your denosumab injection, how much did you spend on public transport?	Less than £3.00	1	0
	Between £3.00 and £5.00	1	0
	I did not spend money on public transport	5	6
16. When you travelled to the hospital to have your denosumab injection, how much did you spend on taxi fares?	I did not spend money on taxi fares	7	6
17. When you travelled to the hospital to have your denosumab injection, how much did you spend on childcare?	I did not spend money on childcare	7	6
18. Is waiting for the denosumab to be delivered to your home inconvenient?	No	7	6
	Somewhat	1	0
19. Do you feel stressed and/or anxious about self-injecting denosumab?	No	7	5
	Unsure	1	0
	At first	0	1
20. Do you feel that self-injecting denosumab is time-consuming?	No	8	6
21. Do you feel confident that the hospital healthcare staff will arrange your pre-treatment review and blood test in a timely manner while you are self-administering denosumab at home?	Yes	7	6
	Unsure ('I do not have a pre-treatment review - unless you count brief telephone conversation with oncologist')	1	0
22. Were you nervous at first about giving yourself the denosumab injection?	No	5	3
	Yes	3	3
23. Did you feel encouraged and supported by the nurse during the denosumab self-administering training sessions?	No	1	0
	Yes	5	6
	Unsure ('I did not have a training session')	2	0
24. Do you administer the denosumab injection yourself?	No	6†	1
	Yes	2	5
25. Where would you prefer to have your denosumab injection administered?	At home by yourself	8	6

*One respondent did not have denosumab injections in hospital but went straight to self-administration at home. Therefore, there are 13 responses to questions 2-17 and 14 responses to questions 18-25. Questions 1-17 relate to having denosumab injections in hospital, questions 18-25 relate to self-administration of denosumab at home. †Helped by husband n=4, wife n=1, grandson n=1, sister-in-law n=1
